

STEEL FLAT BED

Engineered to be the ultimate solution for hardworking professionals who demand strength, durability, and versatility. Whether you're hauling equipment, materials, or tools, this flat bed offers a range of customizable options to suit your needs—including underbody toolboxes, removable solid or stake sides, and convenient fold-down sides for easy loading and unloading. Crafted from high-strength steel with precision workmanship, it's a dependable platform built to work as hard as you do.

SPECIFICATIONS

Truck CA Length	Rear Wheel	Length (in)	Width (in)
