

HAULER

Engineered for performance and built to last, the Hauler Bed is your go-to solution for heavy-duty hauling. Featuring a robust steel sub-frame and precision craftsmanship, it offers superior strength and reliability on every job. Weather-sealed storage compartments provide secure, easy access to tools and gear, while the optional gooseneck hitch—rated for 40,000 lbs—ensures you're ready to tow with confidence.

SPECIFICATIONS

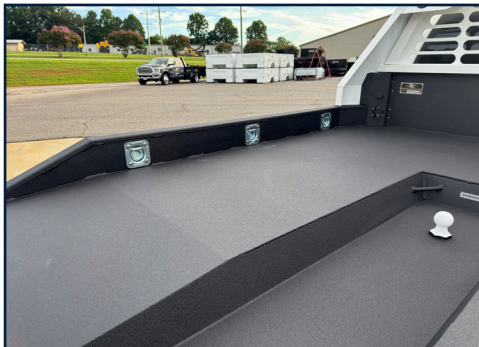

Truck CA Length	Rear Wheel	Length (in)	Width (in)	Turning Radius
56"	Dual Rear Wheel	108-1/4"	98-3/4"	64-3/4"

60"	Dual Rear Wheel	118-3/4"	98-3/4"	70-1/2"
84'	Dual Rear Wheel	144-1/4"	98-3/4"	70-1/2"

STANDARD FEATURES

- ▶ **Heavy Duty Steel Subframe:** Rated at 40,000 lbs., the mounting system delivers unmatched performance through enhanced safety and optimal weight distribution.
- ▶ **Built-in Toolboxes:** Contoured to reduce wind resistance, maximize storage space, lower fuel costs, and minimize noise.
- ▶ **Internal Hinges:** Enhance toolbox security and durability, creating a sleek look for the truck bed.
- ▶ **Gas Charged Shocks:** Ensure smooth opening and closing, enhancing safety and convenience by preventing doors from shutting.
- ▶ **Integrated Work Lights:** Reverse lights located in the headache rack transform into work lights controlled by an auxiliary switch.
- ▶ **7-Way Socket:** Provides power and control to various trailer functions.
- ▶ **2-1/2" Receiver:** Integrated into the steel subframe, offering a tow capacity of 22,000 lbs.
- ▶ **Gooseneck Cradle :** Wide platform ensures better weight distribution and a smoother, more comfortable ride, and can house a goose ball rated up to 40,000 lb.
- ▶ **Mud Flaps + Anti-Sail Brackets:** Heavy-duty material shields bed from debris, with brackets securing mud flaps.
- ▶ **T-Handle Latches:** Spring-loaded with locking mechanism to prevent tampering or theft.
- ▶ **Dri-Dek Liner:** Custom-fit to toolbox dimensions to protect your tools, prevent sliding, and offers easy-to-clean surface that stands up to oils and solvents.
- ▶ **Factory Back-Up Camera + Sensors:** Our truck beds integrate seamlessly with factory sensors and cameras, preserving full functionality while enhancing safety and convenience.
