

The term **DUMP BED** explains it all, as a contractor, landscaper or something in between, we have what you need to move materials for any job. We can set up your bed with a hoist dump in either electric or PTO driven hydraulic, then add any of our optional side packages in a few simple, easy steps and you're ready to go!

Whether you choose a steel bed or aluminum, what you get is cost saving efficiency and versatility.

DUMP BED
